PART IV – If this is a JUSTIFICATION FOR VARIANCE

The Zoning Board of Adjustment may not authorize a zoning ordinance variation unless ALL of the following criteria are met. Please provide evidence that the requested Variance complies by addressing the issues below.

1. Special conditions exist such that literal enforcement of the Ordinance will result in unnecessary hardship to the applicant as defined under applicable law.

Existing Footprint has limited Building Area

2. Granting the variance would be consistent with the spirit of the Ordinance.

Yes by Hardship

3. Granting the variance will not result in diminution of surrounding property values.

NO

4. Granting of the variance would do substantial justice.

yes by improving property value and erecting habitable accommodations

5. Granting of the variance would not be contrary to the public interest.

NO

PART V – If this is a JUSTIFICATION FOR SPECIAL EXCEPTION

Please provide evidence that the requested Special Exception complies by addressing the issues below.

1. No detriment to property values in the vicinity of the proposed development will result on account of: the location or scale of buildings, structures, parking areas, or other access ways; the emission of odors, smoke, gas, dust, noise, glare, heat, vibration, or other pollutants; or unsightly outdoor storage of equipment, vehicles, or other materials.

2. No hazard will be caused to the public or adjacent property on account of potential fire, explosion, or release of toxic materials.

3. No creation of a traffic safety hazard or substantial traffic congestion will result in the vicinity of the proposed development.

4. No excessive demand on municipal services and facilities, including, but not limited to waste disposal, police and fire protection, and schools.

5. The proposed use will not result in the degradation of existing surface and groundwater quality standards, nor will it have adverse effects on the natural functions of wetlands on the site that would result in the loss of significant habitat or flood control protection.

In addition to the guiding principles specified above, the ZBA may condition the granting of a special exception upon more stringent standards if the Board determines that such conditions are necessary to protect the health and welfare of the town and its residents. Such conditions may include the following and should be addressed in the Narrative:

- 1. Front, side, or rear yards in excess of the minimum requirements of this Ordinance.
- 2. Screening of the premises from the street or adjacent property by walls, fences, or other devices.
- 3. Limitations on the size of buildings and other structures more stringent than minimum or maximum requirements of this Ordinance.
- 4. Limitations on the number of occupants and methods and times of operation.
- 5. Regulation of the design and location of access drives, sidewalks, and other traffic features.
- 6. Location and amount of parking and loading spaces in excess of existing standards.
- 7. Regulation of the number, size, and lighting of signs in excess of existing standards.
