Good day,

Concerning the proposed 23 lot subdivision, as abutting landowners we are NOT in favor of having this subdivision approved. 23 lots in our view is too large of a subdivision for Young road.

Has a Traffic Impact Study been done. Young road is already a busy road and during the summer months even worse. Drivers do not follow the speed limit and you take your life in your hands when crossing to get the mail or even wanting to take a walk. This subdivision will only make it worse, again we are NOT in favor of having this subdivision approved.

Regards,  
Marc & Laurie Lenzi
