Good Afternoon,

To allow the applicant time to finalize some of the additional studies requested by the planning board we would request the application be continued to the meeting in August.

Good afternoon.

Will you have anything for resubmittal for the July 11, 2023 meeting? The deadline for resubmittals is tomorrow (holiday, so maybe today?). If not, please send a request of continuance if you are looking to do that. Thanks!

Have a great holiday!

Best Regards,
