I am Eileen (Brooks)
Williams (MAP/parcel 244-28;
1.98 acreage). I am No relation
to Carla or the late Roger
Williams.

The 174+ duplex units will
bring a "New Community" of an
estimated 1300 residents or
more, plus 250+ vehicles. We
are overwhelmed by such
change to the town and abutters:
another new school, day care,
pre-school, expanded 24-hour
police force, paramedics,
ambulances, fire trucks, etc.

This wouldn't be "progress" -
it's "Profit" and a financial,
physical and emotional expense
to abutters on Old Settlers Rd,
Canaan Buck Rd and The Town.

Thank you.
