Re: 269-2-RC-24SpecExcept & 269-2-RC-24Variance
Robert L. Diberto
U.S. Route 4/Old Turnpike Road
Barrington N.H.

Madam Chair and Members of the Barrington Zoning Board of Adjustments,

On behalf of our client, Robert Diberto, Berry Surveying & Engineering (BS&E) is requesting a continuance of the two cases noted above to the April 17th 2024 Zoning Board meeting. We understand the board will only three members present at the March meeting and would like the benefit of a full board for the hearing.
