Continual Enthusiasm and Teamwork

Since the Vote 2019

- Post Mortem and Re-energized
- Meetings continued monthly for Trustees and Foundation
- Donations were made
- Grants were applied too, some received
- Events were attended around community answering questions
- Building committee worked with SMP and Bauen on value engineering
- Budget was visited repeatedly to come forward with the most accurate and concise plan using real numbers
- Participation in SB meetings
- Information meetings for community input were held in Fall 2019
- More to Come...
