 - i. See attached, [20230417 CVIPR 63Birch](#)
 - ii. The applicant has requested a waiver from the Town's [Class VI and Private Road Building Policy](#). The waiver request articulates that the added volume does not add any living space and, therefore, should not require road improvements.
 - iii. The Planning Board does not recommend a waiver and felt that improvements to the road should be made.
 - iv. The Fire Chief would support a waiver in this case because the proposed work is not adding any living space. That said, if the Select Board requires road improvements, the Chief recommended improvements be made to the turnaround at the end of Birch Lane.
 - v. There is a formal road association which already has a recorded road maintenance agreement. The applicants would be required to repair any damage to the road caused during construction.
 - vi. Public Comment (see Visitor Orientation)
Make a motion to [approve/deny] the waiver request [and to authorize the issuance of a building permit for Map 117, Lot 8 on Birch Lane].

D. Barrington Energy Committee – Community Power Aggregation – **Vote**

- i. The [Barrington Energy Committee](#) has been working on many projects since its inception last year. One large project has been the topic of Community Power. Energy Committee Chair, Paul Panish, will be making a presentation to the Select Board about what Community Power is and what the next steps are.
- ii. See attached, [CPA Board Presentation 2 \(1\) 4.20.23](#)
- iii. The Barrington Energy Committee recommends that the Select Board review and adopt CPCNH Joint Powers Agreement and also appoint a Director (Paul Panish is nominated by the committee) and alternate to the CPCNH Board. These steps allow the Energy Committee, or a sub-committee as appointed by the Select Board, to investigate and take steps toward developing an Electric Aggregation Plan for a Barrington Community Power Aggregation. There is no risk or obligation for the community in taking these actions.
- iv. See attached, [CPCNH Amended JPA as of 3-16-23](#)

Make a motion to authorize and sign the above-referenced documents (i-vii).

D. Waive Planning Board Fees for Town Government Applications

- i. According to state law, the Town is exempt from its own zoning ordinance. That said, Barrington's long-standing policy has been for municipal projects to follow the site review process just as non-governmental applicants would. Further, the Select Board has always waived the Planning Board application fees on a project-by-project basis. The practice of waiving fees makes sense because money is fungible, and the Town need not be paying itself.
- ii. I am asking the Select Board to formalize the waiver of application fees for all future Town government applications to the Planning Board.

Make a motion to waive Planning Board fees on all future Town government applications to the Planning Board.

E. New Hampshire Municipal Association Legal Inquiries List Update

- i. The New Hampshire Municipal Association (NHMA) offers free legal consultation for general Town business/functions. The Town of Barrington maintains a list of those municipal officials who can contact NHMA for legal advice. Although the list was updated at the May 8, 2023 meeting, the Conservation Commission recently elected Doug Bogen as Chair, so the list needs to be updated again.
- ii. See attached, [New Hampshire Municipal Association Legal Inquires List 20230517](#)

Make a motion to update the New Hampshire Municipal Association Legal Inquires List as presented and authorize the Select Board Chair to sign.

F. Issuance of a Building Permit on Small Road, a Private Road, for Derek & Melissa Ceppetelli, Map 106, Lot 4

- i. See attached, [20230510_CVPR_100Small](#)
- ii. This application is found to comply with the Town's [Class VI and Private Road Building Policy](#). As a Category 2 application, there are no road improvement requirements.
- iii. Due to the applicant's request for a variance of front and side setbacks for a proposed new garage, the Planning Board recommended the applicant's application be submitted to the Select Board after the Zoning Board of Adjustment (ZBA) meeting.
 - 1. At the ZBA meeting on May 17, 2023, the variance was granted.

Make a motion to authorize the issuance of a building permit for Map 106, Lot 4 as proposed.

G. Issuance of a Building Permit on Dry Hill Road, a Private Road, for Nathan & Kari Gray, Map 201, Lot 16

H. Authorize Lease of Map 239, Lot 2 for Summer Concerts

- i. The Recreation Department has partnered with Holy Rosary Credit Union (HRCU) to program a summer concert series (more information to come). HRCU owns Map 239, Lot 2 and has offered to sponsor the concert series and provide the land and electricity. Due to the nature of the event series and provisions of insurance coverage, it is best for the Town to enter into a lease agreement with HRCU for use of the property. HRCU has offered this lease for \$1. The terms will be set/reviewed by the Town's attorney and insurance provider.

Make a motion to authorize a lease agreement with Holy Rosary Credit Union for the use of Map 239, Lot 2.

9. Old Business

A. Town Meeting Warrant Article Implementation – Discussion

- i. Residents voted on March 28, 2023 to approve the proposed operating budget and most warrant articles as recommended and supported by the Select Board and Advisory Budget Committee. Three of the thirty-one articles failed including a zoning article related to temporary signs (#7), the Town Center TIF District (#9), and the new Energy Capital Reserve (#20).
 1. See attached, [2023 Town Meeting Election Results](#)
- ii. Staff have been working over the past two months to implement the decisions of voters at Town Meeting. The Land Use Office has updated the [Zoning Ordinance and Map](#) to reflect the passage of articles 2 through 6. The operating budget reflects the amounts approved in article 8 (operating budget) and article 22 (collective bargaining cost items). The capital reserve contributions in articles 10 through 21 (excluding 16 and 20) have been transferred to the Trustee of Trust Funds. Article 16 is the non-lapsing paving article, and those funds are retained within the General Fund held by the Treasurer. Article 20 asked voters to establish an energy capital reserve. This article failed to pass, but the Select Board has remained committed to working with the newly formed Energy Committee to accomplish their charge. As previously mentioned, article 22 passed and those cost items were added to the operating budget. The veteran credit increases included in articles 24 and 25 have been processed by the Assessing Department. The Technology Committee has met and will continue to work on bringing Fiber to the Home for residents of Barrington as supported through article 26. The noise ordinance reflected in article 27 has been updated and the Police Department is enforcing the new language. Finally, voters approved the advisory articles 28 to 31. The Select Board is asked to consider the following items

relative to the petitioned articles amended at Deliberative Session and passed at Town Meeting.

1. Article 28 – Code of Ethics: *To see if the Town will vote to encourage the Select Board to evaluate the need for a code of ethics in addition to the mandatory oath of office, for all Town officers who are not subject to the Town personnel policy.*
 - a. The Select Board can adopt advisory resolutions on a wide array of topics, including ethics. The content of such resolutions lack enforcement. The closest statutory authority related to a code of ethics is found in [RSA 31:39-a](#) which allows municipalities (at Town Meeting) to adopt conflict of interest ordinances. The New Hampshire Municipal Association (NHMA) has a great article on the topic, see attached.
 - i. See attached, [NHMA TC June 2006 - Ethics Ordinance](#)
 - b. [Part II, Article 84 of the New Hampshire Constitution](#) contemplates oaths for government officers. Further, [RSA 42:1](#) extends the constitutional requirements to town officers. This oath is copied below:
 - i. *I, A. B. do solemnly swear, that I will bear faith and true allegiance to the United States of America and the state of New Hampshire, and will support the constitutions thereof. So help me God.*
 - ii. *I, A. B. do solemnly and sincerely swear and affirm that I will faithfully and impartially discharge and perform all the duties incumbent on me as _____, according to the best of my abilities, agreeably to the rules and regulations of this constitution and laws of the state of New Hampshire. So help me God.*
 - c. The New Hampshire Municipal Association (NHMA) has a great legal question and answer article on the topic, see attached.
 - i. See attached, [NHMA Legal QA 2021 – Oaths](#)
 - d. The Select Board is asked to consider the need for a code of ethics in addition to the mandatory oath of office.
2. Article 29 – Duty to Inform: *To see if the Town will vote to encourage the employees and officers who, while acting in their official capacity, receive first-hand actionable information about possible gun violence against children to report to law enforcement on such information.*
 - a. The New Hampshire Child Protection Act found at [RSA 169-C](#) contemplates reporting at RSA 169-C:29.
 - b. The Select Board is asked to consider the need for any action in addition to support existing law.
3. Article 30 – Court Proceedings Webpage: *To see if the Town will vote to encourage the Select Board to make court proceedings (excluding personnel issues) involving the Town available to residents on the Town's website.*
 - a. The Select Board has demonstrated a commitment to openness and transparency. Traditionally, this has included evaluating, on a case-by-case basis, the appropriate timing and level of detail that legal information is shared. This has included posting court proceedings on the Town's website.

TOWN OF BARRINGTON

NEW HAMPSHIRE

Office of the Select Board

- b. The Select Board is asked to consider the need for any action in addition to the Board's existing practice.
 4. Article 31 – Temporary Signs: *To see if the Town will vote to recommend that the Planning Board review the provisions of the Zoning Ordinance regarding temporary signs and to propose any recommended changes at the 2024 Town Meeting.*
 - a. In 2022, the Planning Board identified the sign ordinance as an area of improvement. Late in the zoning amendment process, they realized that time did not allow a comprehensive review of the existing ordinance and they decided to propose one minor amendment (article 7). This amendment would have extended the existing allowance for additional temporary signs from 30 days before an election to 60 days before an election. Voters overwhelmingly voted 'no' on this article. This decision favored the existing language which allows for a shorter window for additional temporary signs. The Planning Board has shared an interest in evaluating the entire sign ordinance which they plan to do in 2023.
 - b. There is increasing resident feedback about the amount, frequency, and duration of temporary signs in Barrington. The Zoning Administrator could work on a guide for temporary signs which addresses the size, location, and number of temporary signs in our existing zoning ordinance. Additionally, staff could work with NHDOT to improve enforcement of existing state laws relative to signs in the right of way of state highways.
 - c. The Select Board is asked to consider any action relative to temporary signs in Barrington.
- B. 2025 Town Meeting in May/July-June Fiscal Year Budget? – Discussion
 - i. At the April 17, 2023 Select Board meeting, I presented [Consideration of a July to June Fiscal Year and May Town Meeting 202320412](#). This document and the ensuing discussion covered the Town benefits to a May Town Meeting and a July to June fiscal year. The Select Board asked that I continue pursuing the idea. I recently met with the Superintendent to better understand the benefits or challenges that a May meeting would present for the school. The biggest concern was related to a Department of Education requirement that the staff contracts for the upcoming school year be issued by April 15th. The school relies on the budget vote to finalize their staff contracts.
 - ii. Next, my research brought me to the list of Towns and schools with a May meeting:
 1. Hanover, Hebron, Moultonborough, New Castle, Newport, Stoddard, and Peterborough.
 - iii. There are no schools with a May meeting (likely due to the April 15th deadline). I worked through the list of seven May Town Meeting towns to learn how their school budgets are decided. Some still have a traditional school meeting and others are part of multi-town or even multi-state districts. Newport was most similar to Barrington, and they simply have a school vote in March and a Town vote in May (an extra election every year).
 - iv. Despite the many perceived benefits of a May Town Meeting, those benefits are unlikely to justify holding an additional election every year. The two elections would also (likely) have negative consequences on voter turnout.

TOWN OF BARRINGTON

NEW HAMPSHIRE

Office of the Select Board

- v. Relative to the July to June fiscal year, there are still benefits (but fewer) to making the change, even if Town Meeting stays in March. Changing the fiscal year only, may be more trouble than it is worth. Nonetheless, below is a list of towns and cities with a fiscal year budget:
 - 1. Berlin (city), Claremont (city), Concord (city), Dover (city), Franklin (city), Keene (city), Laconia (city), Manchester (city), Nashua (city), Portsmouth (city), Rochester (city), Somersworth, (city), Amherst, Bow, Chester, Derry, Grantham, Hanover, Hebron, Hinsdale, Holderness, Hooksett, Hudson, Lee, Londonderry, Loudon, Merrimack, New Castle, New London, Newmarket, Newport, North Hampton, Peterborough, Plymouth, Sanbornton, Stoddard, and Winchester.
- vi. The Select Board is asked to consider if we should continue pursuing a May Town Meeting or July to June fiscal year.
