MEETING WITH ABC TO REVIEW REVENUE/EXPENDITURE PROJECTIONS: Current revenue is running ahead of projections. Library President of Board wrote: As you are no doubt aware, the library Board of Trustees, coupled with a few dedicated volunteers set up a 501(c)3 non-profit in 2016, known as the Barrington Library Foundation. The Foundation and its subsequent Campaign Council are becoming very active now. As such, the trustees would like to introduce the Foundation to the Board of Selectmen.

The Barrington Library Foundation and Campaign Council, along with the Library Trustees,

invite the Barrington Selectmen to participate in a work session in order that the Council can present an update to the Selectmen on the history of the efforts to create a new Library, our current plans, and the need to obtain Selectmen consideration and approval of several ongoing issues (to be put forward and voted on at the following Selectmen's meeting). This work session is open to the public, but is informational only and will not be open to public comment.

We would request the Board of Selectmen's presence on Tuesday September 26th at 6:00 PM at the library. Please put this in front of the board for their consideration.

Fire Department Pick-up: After reviewing all of the specifications and desired options Rick determined that the 2017 Ford was almost the same as the 2018 Dodge, and recommends the Town go with the Dodge since it is a year newer. ***Does the Board support purchase of the Dodge instead of the Ford?***

Town Clerk: State is going to try its update on Motor Vehicles state wide again. Last time it failed and had to be reversed. The schedule is October 6-10. The only day we would have been open is 10/10, but we will be closed that day. We open late on Wednesday normally and that opening would be conditional on the program working by the time to open.
