You are hereby notified the administrative appeal is denied. The Planning Board's Decision of July 8, 2014 is affirmed to the extent it involves construction, application or interpretation of the Barrington Zoning Ordinance.

After a consideration of the petitioners application, and after consideration of all evidence presented to the Board at the public hearing, held on Wednesday, August 20, 2014, and Wednesday September 17, 2014, the Board determined that based upon the evidence the premises containing said home business would not be rendered objectionable or detrimental to the residential character of the neighborhood because of exterior appearance, traffic, emission of odor, smoke, dust, noise, or on-site storage of hazardous materials as determined by the Barrington Fire Department.

For additional information, please reference the Zoning Board of Adjustment meeting minutes of August 20, 2014, and September 17, 2014.
