By: Chris Berry, Berry Surveying & Engineering; 335 Second Crown Point Road; Barrington, NH 03825. *(Revised plan set received on December 7, 2015)*

You are hereby notified that the request of Case# 106-4-GR-15-ZBA, for a Variance from the terms of the Barrington Zoning Ordinance has been GRANTED for the following reasons:

After a consideration of the petitioners application, and after consideration of all evidence presented to the Board at the public hearing, held on Wednesday, December 16, 2015, it is the decision of the Board that the unique facts in the specific case # 106-4-GR-15-Variance authorize a Variance from the terms of the Ordinance. It is the decision of the Board that owing to the special conditions of the case, that a literal enforcement of the Ordinance will result in unnecessary hardship and so by GRANTING a Variance in this specific case, the spirit of the ordinance is observed and substantial justice will be done. The variance was granted on the plan set dated, October 28, 2015 with a revision date of December 4, 2015 and stamped, December 7, 2015. For additional information, please reference the Zoning Board of Adjustment meeting minutes of, December 16, 2015.
